MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 6 to Contract No. A-102 with Thompson Ramo Wooldridge Inc., Project CHALICE

1. This memorandum contains a recommendation submitted for the approval of cognizant personnel listed below. The recommendation is set forth in Paragraph 5.

2. Contract No. A-102 is a Time and Material type covering repair and overhaul of Project and Air Force equipment previously delivered under other contracts. The contract also provides for in-plant engineering. This Amendment No. 6 adds provisional billing rates for the period 1 July 1958 through 30 June 1959.

3. No additional funding is required for this Amendment No. 6.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each Contract.

5. Approval of Amendment No. 6 to Contract No. A-102 and execution thereof on behalf of the Agency by the authorized Contracting Officer is recommended.
